

many middle-income families with children will not get any tax relief because the bill promises a lot more than it provides because they ignore the minimum tax when writing their bill.

In fact, we need to have values that, yes, take care of the marriage tax penalty and reward marriage, but, at the same time, take care of our seniors, take care of our children and extend the life of Social Security and Medicare.

#### SAN RAFAEL LEGACY AND NATIONAL CONSERVATION AREA ACT

(Mr. CANNON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CANNON. Madam Speaker, today I will introduce the San Rafael Western Legacy and National Conservation Area Act. This legislation sets up a process to preserve the remarkable area famous for such outlaws as Butch Cassidy and the Sundance Kid.

Over the last 3 years, people in Emery County, Utah, the off-road vehicle users and sportsmen came together with county officials, landowners and the Bureau of Land Management to approve the plan I am introducing today.

This bill would place 2.8 million acres into a legacy district to be managed for the conservation of the region's historical and cultural resources. This bill will allow management that will guarantee the preservation of the dramatic canyons, wildlife and historic sites of the San Rafael Swell.

Additionally, this bill will set aside about 1 million acres as a National Conservation Area, withdrawn from future mining claims and providing increased protection for primitive and semi-primitive areas. The Secretary of Interior, in conjunction with an advisory council, will develop a management plan for the National Conservation Area that will provide for various land uses and the preservation of these amazing natural resources for future generations.

#### ELIMINATING THE MARRIAGE TAX PENALTY

(Mr. WELLER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WELLER. Madam Speaker, over the last 3 years, many of us have asked a pretty fundamental and basic question, and that is, is it right, is it fair that under our Tax Code, 25 million married, working couples pay higher taxes just because they are married. In fact, the 25 million married working couples pay an average of \$1,400 more in higher taxes just because they are married; and 1.1 million of those American working couples live in Illinois, married couples who pay higher taxes just because they are married.

I have with me a photo of Shad and Michelle Hallihan. They are an average couple suffering the marriage tax penalty, two public schoolteachers in Illinois. Michelle points out the marriage tax penalty for her would buy 3,000 diapers for their newborn child. It is real money for real people.

Tomorrow the House is going to vote on a bipartisan proposal. Madam Speaker, 241 Members of the House are now cosponsoring H.R. 6, legislation which will essentially wipe out the marriage tax penalty for the majority of those who suffer from it. Let us set aside partisanship, let us work together to eliminate the marriage tax penalty.

Valentine's Day is next week. What better gift could this Congress give 25 million married, working couples than passage of this legislation tomorrow to wipe out the marriage tax penalty for couples like Michelle and Shad Hallihan.

#### HOROWITZ SUDAN RESOLUTION

(Mr. TANCREDO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TANCREDO. Madam Speaker, today I will introduce a resolution which commends Michael Horowitz for the public statement he made last week by protesting the lack of action that the administration has taken in actively addressing the situation in Sudan. Mr. Horowitz also used this forum in hopes of raising the awareness of the American people to the plight of the Sudanese at the hands of the northern totalitarian regime in Khartoum.

Madam Speaker, the civil war in Sudan has been raging now for over 17 years with close to 2 million dead. The United States should be doing all it can to support the intergovernmental authority for development, or IGAD process, in hopes of bringing this horrific chapter in the lives of the Sudanese to a close. Until peace is finally reached, we should also be supporting those in the south who are fighting to keep the iron, long-reaching fist of the northern regime from crushing their beliefs and way of life.

Furthermore the administration should address and work in conjunction with others who are leading a campaign against companies such as Talisman Energy and others who are using American capital to support their oil operations in Sudan at the detriment of the southern population. Mr. Horowitz's act of civil disobedience was done in hopes of bringing light to the inaction and bland policies of our government towards Sudan, for it is time we truly addressed this regime and the policies of terrorism and destruction it brings to the table with it.

#### RESPONSIBLE TAX PLAN FOR AMERICANS

(Ms. DELAURO asked and was given permission to address the House for 1

minute and to revise and extend her remarks.)

Ms. DELAURO. Madam Speaker, American families deserve a responsible plan for the surplus that strengthens Social Security and Medicare, that pays down the national debt, and that gives tax cuts that directly benefit the middle class. Unfortunately, the Republican leadership seems determined to pass an irresponsible tax cut before it develops a plan for the long term. Last year they tried to pass a trillion dollar tax bill that would have benefited the richest in our country. This year, they are trying to pass that package piece by piece.

Madam Speaker, we need to eliminate the marriage penalty; and I support a proposal to do that. But this Republican scheme is irresponsible. The bill helps working families, middle class families very little, yet it gives huge tax breaks to the wealthiest couples. Millions of American families with children will get absolutely no relief at all. We must instead support a Democratic alternative which will both alleviate the marriage penalty and strengthen Social Security and Medicare while paying down the national debt.

We need the surplus to be used in a responsible way that strengthens our country, not for another political gimmick, that the American people have already heard and have already rejected.
